

ENVIRONMENTAL POLICY

As a family owned company,
Paul Smith Earthmoving 2002 Limited
is committed to

“Continually improving our environmental performance by
implementing sustainable practices that
reduce use, and resource use,
through
leadership, innovation, motivation, and environmental awareness”

This will be achieved by adhering to the principles and requirements
of our ISO14001:2015 certified Quality & Environmental Management Manual
which is implemented throughout our entire operation.

We believe in integrating environmental performance into our daily operations
