

QUALITY POLICY

As a family owned company,
Paul Smith Earthmoving 2002 Limited
is committed to

“Achieving Customer satisfaction by continually improving our
process, and services to ensure they consistently meet
or exceed customer requirements ensuring
Paul Smith is the primer earthmoving company of choice”

This will be achieved by adhering to the principles and requirements
of our ISO9001:2015 certified Quality Management System which is
implemented throughout our entire operation.

We believe in quality from start to finish

“DOING IT RIGHT FIRST TIME”
